

CHC30113 CERTIFICATE III IN EARLY CHILDHOOD EDUCATION & CARE

Do you want a career in an early childhood setting, providing a healthy, safe and caring environment for children?

This course will give you the skills to communicate and work collaboratively with educators and colleagues, as well as to support the holistic wellbeing, health and safety of all children. You will master the skills that you need to effectively help children learn and become confident and involved learners. During your studies, you will also learn how to support children with behavioural issues.

The course will train you to navigate and comply with all the current legal and industry related requirements, policies and procedures. You will become adept at supporting planned education programs in early childhood settings, as well as assisting with the organisation of classrooms and community education centres.
