

# CHC32015 CERTIFICATE III IN COMMUNITY SERVICES

Do you want to work in an industry where you can make a difference to the welfare of others?

Unlike a lot of other job sectors, community services gives employees a huge selection of client areas to work in including; Aged care, Disability services, Indigenous and multicultural support, Asylum seekers and refugee services, Mental health, Child protection, Family services, Education, Emergency relief, Youth and Housing.

The course develops the learners understanding of communication strategies, mental health, responding to individual needs, goal setting, collaborative partnerships and more. With a real focus on working in community and health services this course provides opportunity for community engagement to help kick start your career!
